S.E. GROSS MIDDLE SCHOOL GYMNASIUM ADDITION AND FACILITY RENOVATIONS

New 15,300-sf gymnasium facility addition includes locker rooms, and will be accessible to the community when school is not in session. A 15,700-sf renovation of the existing space will bring a new cafeteria; first-floor flexible auditorium / performance space; two new state-of-the-art classrooms; a Science, Technology, Engineering, Art, and Math (STEAM) lab; a new art space with kiln room; and an expanded band room with enclosed practice areas for musicians. Wifi access will be available throughout the addition, with interactive displays in all classrooms and lab areas.
