

\$10,000 raised for Share Our Spare to aid their mission to ensure every Chicagoland child has essentials to support their health and development.

Together, we packed 7,200 pounds of food providing over 6,000 meals for hungry neighbors in the Chicagoland area!

Volunteer Day at the ShareHouse

Executive Construction Foundation's inaugural Adopt-a-Charity Program has been a hit! We were humbled to continue to support this year's non-profit partner, **Share Our Spare**, at our volunteer event where **we served as handymen on various installations; sorted clothing; inventoried donations; and assembled newborn and personal care kits.** Following this work day, we had the pleasure to present a \$10,000 check to Share Our Spare—raised amongst various fundraisers—to aid their mission to ensure every Chicagoland child has essentials to support their health and development. Feeding Hungry Neighbors in the Chicagoland Area

Great communities are strengthened through giving back to those in need. We're thankful to our team that recently volunteered at both the Greater Chicago Food Depository and the Northern Illinois Food Bank. Together, we packed 7,200 pounds of food providing over 6,000 meals for hungry neighbors in the Chicagoland area.

THANK YOU TO OUR DONORS!

We can't do this alone, and are grateful for the generosity of our partners that donated to the Foundation so far this year. Please consider supporting the firms that helped us bolster the charitable work being done in Chicagoland to improve the lives of others.
