Giving Back...

We recognize the good fortune we have experienced, both as a company and as individuals. Throughout our firm's history, we have made it a priority to give back with our energy, time, and financial support to charitable organizations that we, or our clients and partners, are associated with.

In 2019, as celebration of our 45th year in business, we launched the nonprofit Executive Construction Foundation.

As a registered nonprofit organization, the Foundation allows us to better support the charitable giving we do, and provide a direct benefit to those that so generously participate.

...to Pay it Forward

The Executive Construction Foundation supports a variety of nonprofit organizations—whether educational, faith-based, or community-related—to bolster the charitable work they do to improve the lives of others. The Foundation holds volunteer engagements and distributes donations throughout the year to 50+ nonprofit organizations, culminating in a charity-based event each Fall. **Sponsors at the Platinum level and above are invited to attend the Fall event** to network with clients and design partners.

How To Contribute

Together, we can make a difference! Each year kicks off with a Foundation fundraiser to secure annual support from our partners. Donations are also accepted throughout the year. The Executive Construction Foundation is a registered 501(c)(3) nonprofit organization; giving can be documented as a charitable contribution.
